

DIMENSIONS

GRANDE

Our **Grande** range of chairs is designed for users of above average height and weight (up to 30 stone), where back pain may also be an issue. The range is another example of bespoke specialist development from **Albion Chairs** with the aim of offering exceptional comfort and ergonomics in the workplace no matter your size or shape.

GRANDE DIMENSIONS

CODE	Seat low	Seat high	Seat width	Seat depth	Back height	Overall width	Overall depth	Overall height low	Overall height high	Arm height from floor
G+1	480	600	550	560	840	700	750	1350	1470	680-800
